Company Profile

Message from the General manager

Insistence and determination are the common features among all successful characters, and since childhood passion and will are growing within us to build a giant edifice in the field of services for pilgrims and visitors to the city of Mustafa peace be upon him following the ideals and armed with the desire of being initiative and creative and leave a personal impressive imprint in the field and our believe is that the most important requirements for success is to enhance the authenticity of the past and keep pace with the times and its development and fully confident that the best way to market is through our customers because they will make our reputation. Going forward to make a torch of hope for those who will follow us to the top, General manager
